1.1 Life Member Nomination | Stuart Amphlett

Stuart started playing for Vic Park in 1976 (U15's). Moved to seniors and received the Most Dedicated Senior award in 1980.

He joined Xavier Hockey Club in 1984 due to friends playing there & played there until they merged with Vic Park at the end of the 1986 season and has played ever since at Vic Park.

Stuart started as a minkey coach in 1995 when there were about 20 kids involved that year. He became minkey coordinator 1996 and ran it until 1998 at which time the club finished with about 80- 90 minkey kids & had 4 U11 teams the following year.

He then moved to big time coaching and has coached U11's from 1999 until now and at the same time was on the junior committee 1996-2007 and was Vice President Juniors from 2002 to 2006. It was during Stuart's time on the junior committee and Vice President Juniors when the club's junior team numbers began to flourish increasing from 3 teams to 10 teams in a few short years then peaking at 14 junior teams. To make this happen, Stuart would do whatever it took to promote the junior club and it was not unusual for him to spend his lunch time driving around to schools delivering thousands of pamphlets and posters promoting the club.

Since 2007 he has been the Wednesday night ground controller at Fletcher ensuring the clubrooms are opened and training lights turned on then waits around until the older kids have finished and locks clubrooms, turns off training lights and ensures goals are put away.

Finally, every year since the early/mid 1990's he has also help set up the clubrooms at the start of the season and then at the end of each season helps pack up the clubrooms plus is always first to offer help to anyone in the club who asks.

We believe Stuart would be a worthy recipient of Life Membership to the Club.

Nominated by Julia Reid Seconded by Stuart Lamont
