

# **VICTORIA PARK XAVIER HOCKEY CLUB INC**

## **SPORT SAFE POLICY**

The executive committee and members undertake to actively promote and incorporate the following policies into the management and running of the club:

- Implementation and promotion of code of conduct for players, coaches, parents and spectators
- Promotion of the wearing of suitable clothing and protective equipment at training and matches
- Ensure that playing grounds and goals are maintained in a safe condition
- Promote approved coaching accreditation courses for coaches
- Promote accredited sports injury management personnel for coaches, parents and club members
- Provide appropriately stocked and maintained sport first aid kit for all teams and the clubroom
- Inclusion on registration form an area for players to note any medical conditions which may affect them and for this information to be given to team coach
- Provide adequate budgeting for junior goalkeeping equipment, medical kits and upgrades to grounds and hockey goals
- Promote the education of Sport Safe policies throughout the club, by running Sport Safe accredited workshops, having appropriate posters on clubroom walls and by placing Sport Safe articles in the Panther Press
- Conduct an annual review of the club's Sport Safe Policy
