

HOUSE MANAGEMENT POLICY

A primary objective of the Victoria Park Xavier Hockey Club Inc is the promotion and encouragement of the game of hockey for the enjoyment of its members, including the promotion of social feeling and good fellowship amongst hits members and guests.

The club recognises the importance in holding a liquor license in the value it adds to the club, enabling it to generate income and hold social functions, but in doing so it also the club also accepts the responsibilities and expectations of the community in adhering to the liquor licensing laws.

The club is committed to minimising liquor related harm to customers and its neighbours by the adoption of responsible service of alcohol practices.
