

LIFE MEMBERSHIP

Life Membership is recommended to the Club at the Annual General Meeting by the Executive Committee. A motion is put to the Quorum and revolves around the Nominees contribution to the Club.

Life Membership should be awarded to a Club Member who has been a long standing member of the Club and who has worked tirelessly over a number of years for the good and betterment of the Club, generally in a leadership role but this is not always the case.

Most of our Life Members had at least 15 – 20 years in leadership roles however notable exceptions are; -

Ian Ferguson	Extensive club service over many years (over 20 years)
Lloyd Tonkin	Coaching for over 20 years
Dean Evans	Our first and only totally home grown Olympian

Only one Life Membership can be awarded per year however this does not mean there should be an award made every year but only when a deserving member is identified.

Life Members badges are purchased from Sheridans Badges in North Perth who hold the bromide. They are made of 24 ct gold and cost around \$200.
